About

GUANGZHOU TEMEISHENG ELECTRIC CO., LTD is a high-tech enterprise that specializes in the design, manufacture and marketing of audio systems. Established in 1999, TEMEISHENG has now become one of the largest suppliers in China for active portable battery speakers, earning an annual revenue of over 200 million USD globally. After 20 years of development, now we have 7 factories and over 1000 employees under our group, manufacturing different types of audio systems. Our product portfolio includes portable outdoor speakers, mini Bluetooth speakers, microphones, Karaoke systems, public address systems and pro-audio systems. "Innovation", "excellent quality" and "customer satisfaction" are our business philosophy. We have an industry leading design team that is able to bring us unique and perfect works. The standardized production management system and the complete industry chain system have contributed to the excellent quality of TEMEISHENG products. Our factory has passed ISO9001 quality management system certificate and our products comply with the international standards such as CE, CB, FCC, CCC, etc. You are warmly welcome to visit our factories in Guangzhou. We sincerely hope to set up a long-term business relationship with you!
